

Tests / Assessments

Tests / assessments contain all the content to enable you to assess your student's education, mental health and well-being.

All our assessments contain scientifically rigorous content based upon 30 years' of experience within the education industry.

A comprehensive list of all our tests can be found on our websites at [GL Assessment \(UK\)](#), [GL Assessment \(Ireland\)](#) and [GL Education \(International\)](#).

Within our websites, you can also find detailed information about each individual test.

Examples of tests available within Testwise include the following:

- Baseline - measures literacy, language and maths for Reception aged students.
- PT Series (Progress Test Series) - measures English, maths and science abilities for all ages.
- CAT4 (Cognitive Abilities Test 4 Edition) - measures developed abilities and academic potential. Results from CAT4 can help in intervention, monitoring progress and setting targets for future attainment.
- PASS (Pupil Attitudes to Self and School) - measures student attitudes towards themselves as learners and their attitudes towards school.

The specific tests / assessments available to you within Testwise will depend upon which [services](#) your school has purchased. Services contain one or more tests / assessments bundled together for purchasing purposes. You can [view your purchased services](#) and the expiry date for each from within Testwise.

When a [sitting](#) has been created and the assessment has started, the student will be able to log into the system to complete their tests.
